

Servizzi Ewropej f'Malta

Network of Network Meeting
30 March 2021

Our Mission

To be of service to citizens by keeping them updated on the EU's strategies, policies, initiatives and obligations and engaging them to benefit from the rights and opportunities deriving from EU membership, including EU funding

Our Vision

To be the leading agency in Malta that engages citizens in EU-related matters

Our Mandate

INFORM

- To inform and keep updated public and private organisations and citizens through various fora on the EU's long-term strategies, policies, initiatives, obligations, rights and opportunities.
- To provide information and assistance on EU funding programmes, in particular by advising and assisting local government and private non-profit organisations to draw up and submit competitive project applications.

ENGAGE

- To participate in Malta Council for Economic Development (MCESD) meetings and provide in-depth updates on the long-term strategies and legislative proposals of the EU to social partners.
- To issue regular policy briefs and updates on EU legislative proposals and how EU legislation applies to citizens and organisations.
- To create a network to facilitate communication with EU national contact points and information providers.

SUPPORT

- To provide assistance to local government and private non-profit organisations to apply for EU funding.
- To provide guidance to local government and private non-profit organisations on the implementation of EU-funded projects.
