**TARGET SHOOTERS (SEMI-AUTOMATIC FIREARMS), COLLECTORS (AUTOMATIC  
AND SEMI-AUTOMATIC FIREARMS), RENEWAL OF LICENCES AND FIREARMS PASS**

# Target Shooters: No ban on semi-automatic firearms

- ▶ You shall be able to keep all the centre-fire semi-automatic firearms that you own and also acquire new ones. You shall also be able to use almost all of them at the range. However, you shall have to abide by new conditions for ownership and use of these firearms.

# Target Shooters: Change in Licensing Conditions on Semi Automatic Firearms

- ▶ These changes apply only if you own at least one of the following centre-fire semi automatic firearms:
  - a) Short firearm** which can hold more than **21** rounds internally or in combination with a removable magazine that you also own;
  - b) Long firearm** which can hold more than **11** rounds internally or in combination with its removable magazine that you also own;

# Short Firearms

- ▶ **“short firearm”** means any firearm with a barrel which is not more than thirty centimetres long or with an overall length of not more than sixty centimetres with its stock folded or removed if so provided.

# Long Firearms

- ▶ **“long firearm”** means any firearm with a barrel which is more than thirty centimetres long or with an overall length of more than sixty centimetres.

# How does it work out for semi automatic **short** firearms?

+ Fixed Magazine = maximum 21 rounds

***Target Shooter Licence A suffices!***

+ Removable Magazine = maximum 21 rounds

How does it work out for semi automatic **short** firearms?

+ Fixed Magazine = over 21 rounds

***Target Shooter Licence A Special required!***

+ Removable Magazine = over 21 rounds

How does it work out for semi automatic **long** firearms?

+ Fixed Magazine = up to 11 rounds

***Target Shooter Licence A suffices!***

+ Removable Magazine = up to 11 rounds

# How does it work out for semi automatic **long** firearms?

*Not known. This is a theoretical scenario*

+ Fixed Magazine = over 11 rounds

**Target Shooter Licence A Special required!**

+ Removable Magazine = over 11 rounds
